

GEORGIA THRIVE INFANT TODDLER COURT PROGRAM

A Family Strengthening Program

PROGRAM WORKGROUPS

Local Implementation

This workgroup focuses on supporting local sites and communities in effectively implementing the Safe Babies Approach. Members collaborate to share program updates, discuss successes and challenges, and establish best practices for sustainability. The group also facilitates peer learning and resource sharing to strengthen local capacity.

Lead Contacts:

Tayler Harps – tharps@gsu.edu

Gabe Howard – gbledsoe@gmail.com

Data and Evaluation

This workgroup is responsible for supporting the collection, analysis, and use of data to inform decision-making and measure program impact. Members work to develop metrics and support continuous quality improvement. The group also helps translate findings into actionable insights for stakeholders at all levels.

Lead Contacts:

Kristina Ormond – kormond1@gsu.edu

Apryl Wallace Bernard – awallacebernard1@gsu.edu

Sustainability

This workgroup focuses on long term planning to ensure Georgia THRIVE remains viable and impactful over time. Members explore funding strategies, policy alignment, and stakeholder engagement approaches. The group also works to embed THRIVE practices into broader systems.

Lead Contacts:

Twanna Nelson – tnelson45@gsu.edu

Shelmekia Hodo – shodo@gsu.edu
